# Find the course that's right for you

Our subject talks, facilities tours, Q&A panels and taster sessions will give you everything you need to know about your course.

Each session lasts about 30 minutes (unless stated), and you can attend as many as you like. Most of our subject sessions run twice throughout the day so you can choose the times that suit you. Don't forget to visit both subject talks if you're interested in a Joint Programme.

Don't worry if you miss a subject talk, you can head to our **subject stands** to speak to one of our course tutors all day from 9am - 3pm. Check the subject listings on pages 17-33 to find the stand.

### Subject talks

You'll get an overview of the subject and courses from our teaching staff, including:
